

CZECH CHEMICAL SOCIETY
IOANNES MARCUS MARCI SPECTROSCOPIC SOCIETY
CZECH TECHNICAL UNIVERSITY IN PRAGUE

18th Radiochemical Conference

13 – 18 May 2018, Mariánské Lázně, Czech Republic

Organised on behalf of the EuCheMS Division of Nuclear and Radiochemistry
Sponsored by the European Association for Chemical and Molecular Sciences

GENERAL TOPICS

- Radionuclides in the Environment, Radioecology (RER)
- Nuclear Analytical Methods (NAM)
- Chemistry of Actinide and Trans-actinide Elements (TAN)
- Radiation Chemistry (RCH)
- Production and Application of Radionuclides (PAR)
- Separation Methods, Speciation (SEP)
- Chemistry of Nuclear Fuel Cycle, Radiochemical Problems in Nuclear Waste Management (NFC)
- Radiopharmaceutical Chemistry, Labelled Compounds (RFC)
- Education (EDU)

INTERNATIONAL ADVISORY BOARD

Vasily A. Babain, Khlopin Radium Institute, St. Petersburg, Russia
Chifang Chai, Institute of High Energy Physics, Beijing, China
Thomas Cardinaels, SCK•CEN, Mol, Belgium
Amares Chatt, Dalhousie University, Halifax, Canada
Ken Czerwinski, University of Nevada, Las Vegas, USA
Elisabete A. De Nadai Fernandes, CENA, Piracicaba, Brazil
Antonia Denkova, Delft University of Technology, The Netherlands
Rajmund Dybczynski, Inst. Nucl. Chem. & Technol., Warsaw, Poland
Nick Evans, Nottingham Trent University, Nottingham, UK
Heinz W. Gäggeler, Paul Scherrer Institute / University of Bern, Switzerland
Stepan Kalmykov, Lomonosov Moscow State University, Moscow, Russia
Kattesh V. Katti, University of Missouri, Columbia, USA
Jukka Lehto, University of Helsinki, Helsinki, Finland

Jan-Olov Liljenzin, Chalmers University of Technology, Goteborg, Sweden
Mario Mariani, Politecnico di Milano, Milano, Italy
Arne Miller, Riso National Laboratory, Roskilde, Denmark
Philippe Moisy, CEA, Marcoule, France
Yuichiro Nagame, Japan Atomic Energy Agency, Tokai, Ibaraki, Japan
Kenneth L. Nash, Washington State University, Pullman, USA
Simon M. Pimblott, Idaho National Laboratory, Idaho Falls, USA
Pavel P. Povinec, Comenius University in Bratislava, Bratislava, Slovakia
Frank Rösch, Johannes Gutenberg University, Mainz, Germany
Thorsten Stumpf, Helmholtz-Zentrum Dresden-Rossendorf e.V., Germany
László Wojnarovitz, Hungarian Academy of Sci., Budapest, Hungary
Ivo Zvara, Joint Institute for Nuclear Research, Dubna, Russia
